

CHICO GLASS FEST 2008

October 23, 24, 25

The City of Chico will mark 40 years of glassblowing history with a statewide glass conference, glassblowing art performance to live music, studio tours and finally an auction and collector's show. You won't want to miss being a part of this historic event!

You can participate in a variety of ways:

1. Advertise in the Artoberfest Guide, which will be sent to the conference attendees and distributed throughout the state (rates can be found on Page 13).
2. Sponsor the commemorative book on the history of glassblowing in Chico. There will be a limited number of these high quality books. Six sponsorships of \$1,500 are being offered. Advertisers will be highlighted throughout the event, on the website, in our extensive advertising plan, and will receive a commemorative book. Be part of history!
3. Sponsor the glassblowing art performance to take place on Saturday, Oct. 25th at Sierra Nevada Brewing Company (in the hops field). This promises to be an exciting time while master glass blowers do their art to live musical performances of jazz, rock 'n' roll and classical music. We are seeking three \$2,500 sponsors for this event or a signature sponsor of \$5,000.
